Balika Shiksha evam Sashaktikaran Pariyojana

Submitted by: Yuvva Pariwar Welfare Foundation

Legal Status: Section 8 Company

Project Duration: 12 Months

Project Location: [City]

Proposed CSR Support: ₹20,00,000

Target Beneficiaries: 100 economically disadvantaged girls

1. About the Organisation

Yuvva Pariwar Welfare Foundation is a Section 8 organisation working for the welfare and development of economically disadvantaged communities. For the last four years, the Foundation has been actively working in the areas of girl child welfare, education, healthcare and support for underprivileged families.

During this period, the Foundation has supported approximately 60 girls in education and has also conducted health camps and supported needy families and girls.

2. Background & Need

Education is one of the most effective ways to improve the future of a girl and her family. Economically weaker families often struggle to meet expenses related to school fees, books, uniforms, transportation and other educational requirements. Financial difficulties can result in irregular attendance or discontinuation of education, particularly among girls.

Through this project, Yuvva Pariwar Welfare Foundation proposes to provide comprehensive educational support to 100 economically disadvantaged girls for one year.

3. Project Objectives

- Support 100 underprivileged girls in continuing their education.
- Reduce the financial burden of education on economically weaker families.
- Improve school attendance and educational continuity.
- Provide essential educational materials.
- Encourage families to prioritize girls' education.
- Monitor educational progress and create measurable social impact.

4. Proposed Activities

- School/education fee assistance
- Books, notebooks and stationery
- School uniforms and school bags
- Educational learning material
- Transportation and examination support where required

- Educational and motivational sessions
- Health and wellbeing support
- Regular beneficiary and family follow-up

5. Target Beneficiaries

Primary beneficiaries will be 100 economically disadvantaged girls. Beneficiaries will be identified through screening based on economic condition, educational need and family circumstances, with preference to girls at risk of discontinuing education because of financial difficulties.

6. Proposed Budget – ■20,00,000

7. Implementation Plan

Months 1–2: Beneficiary identification, documentation, verification and baseline assessment.

Months 3–4: Distribution of educational materials and initial education assistance.

Months 5–9: Regular follow-up, attendance/progress monitoring and educational support.

Months 10–11: Educational progress assessment and additional need-based support.

Month 12: Final assessment, beneficiary feedback, impact report and CSR utilisation documentation.

8. Monitoring & Evaluation

The Foundation will maintain beneficiary-wise records and monitor school attendance, continuation of education, educational requirements, assistance provided and beneficiary feedback. Photographs, activity reports, beneficiary records and expenditure documentation will be maintained for CSR reporting.

9. Expected Outcomes

- 100 girls receive educational assistance.
- Beneficiaries are supported in continuing their education.

- Financial barriers to education are reduced.
- School attendance and educational participation are encouraged.
- Families become more aware of the importance of girls' education.
- A documented and measurable social impact is created.

10. Organisation's Strength

Yuvva Pariwar Welfare Foundation has four years of grassroots experience in social welfare activities, including education support, health camps and girl-child welfare. The Foundation has previously supported approximately 60 girls in education and has experience in implementing community-level welfare activities.

The organisation has the relevant documentation required for CSR engagement, including Section 8 registration, 12A/12AB, 80G and CSR-1.

11. CSR Partnership Requested

Yuvva Pariwar Welfare Foundation seeks CSR partnership of ₹20,00,000 for implementation of this 12-month project. The Foundation is committed to transparent utilisation of CSR funds and will provide appropriate project reports, utilisation documentation, photographs, beneficiary information and impact reporting as required by the CSR partner.
